Once registering, coaches will receive a link to the online training course in etrainu. From the etrainu website, they can book in for a practical session running around the state.

WHEN DOES THIS NEED TO BE COMPLETED?

Coaches will need to have signed up for the online training course by the first round of grading (Friday 17th November).

Coaches will need to have completed the practical training course (Community – 2 hours & Club – 6 hours) by the first round of the season starting (Friday 8th March)

Should there be a change in coach during the season, the new coach will need to complete the relevant training course as soon as possible.

If there is a fill in coach required for a game, they will not need to complete the training for the one game. It is however recommended that anybody that may need to fill in as a coach, complete the training course.
